- A student who adheres to the conditions set out in the Third Year Performance Company Agreement will be guaranteed to perform in at least one piece throughout the year, unless an agreement to the contrary has been made between the Student and the School. It is understood that in some cases external choreographers decide performance opportunities and casting, and that these cases are out of the school's control.
- Wherever possible, multiple casts will be used and provided with the opportunity to practice. It is understood that this is contingent upon students' commitment to scheduled rehearsal periods. Every effort will be made to allow alternate casts to perform.
- Students will be notified of rehearsals that are to take place outside of regular school hours, as far in advance as practicable, with a target of at least three weeks prior, to enable alternative work arrangements to be made.
- The content, running order, cast lists, and other general information about performances will be made available to all participating students as far in advance of the actual performance as

possible. This information is subject to change in cases of injury, illness and unexpected circumstances.

Any breaches of this agreement will result in disciplinary procedures and may result in suspension and eventual expulsion from RS.

In the event that a student has not met all of the conditions of this agreement, their inclusion in performances will be at the discretion of the school, taking account of mitigating factors.

Breaches will be dealt with according to the seriousness of the matter.

In cases of disciplinary action the Principal has overall discretion.

A copy of the Non-Academic Disciplinary Procedure can be found in the Policies & Procedures on Teams .
