

RAMBERT SCHOOL

RAMBERT SCHOOL ADMISSIONS POLICY MA DANCE RESEARCH FOR PROFESSIONAL PRACTITIONERS

(Valid from October 2020 entry onwards)

This programme aims to offer a professional/scholarly opportunity bespoke to the learners' individual practice in dance. It is designed to embrace a wide range of research interests within the dance profession (e.g. dancer, rehearsal director, lecturer/teacher, community practitioner, dance makers). The programme is offered on a part-time basis in order to accommodate professional working schedules and allow for the gradual deepening of dance related practices.

Students on the MA Dance Research for Professional Practitioners gain a postgraduate qualification whilst developing their individual approaches to their professional practice and context in the dance sector within an academic framework. The programme is delivered by Rambert School and is validated by the University of Kent.

Rambert School is a member school of the Conservatoire for Dance and Drama. Students of the Rambert School of Ballet and Contemporary Dance, including students on the MA Dance Research for Professional Practitioners, are registered as students with the [Conservatoire for Dance and Drama](#). [The](#) Conservatoire is a higher education provider registered with the [Office for Students](#).

Rambert School offers places based on talent and potential for successful completion of the programme alone (i.e. not discriminating on the basis of gender, ethnicity, religion, sexual orientation, disability, economic background or otherwise); and considers each particular applicant's suitability for the programme of study. Rambert School, in union with the Conservatoire for Dance and Drama and its other Member Schools, operates an equal opportunities policy; for further information, go to www.cdd.ac.uk/about/equality-and-diversity/.

Candidates who embark upon this programme but who do not complete the full programme and accept an exit award of a PG Cert (60 credits) or PG Dip (120 credits) are not eligible to subsequently complete any outstanding credits on the programme.

The specific entry criteria that applicants for this programme need to meet are set out below. Applicants who meet all the Stage 1 criteria will progress to Stage 2 of the application process.

Enrolment

Rambert School is a Member School of the Conservatoire for Dance and Drama, and students who are admitted to the MA Dance Research for Professional Practitioners become registered students of both the School and the Conservatoire. Students of the MA Dance Research for Professional Practitioners are therefore bound by the policies and procedures of the Conservatoire for Dance and Drama and local Rambert School policies. Please see the MA Dance Research for Professional Practitioners Terms and Conditions for further information.

It is a registration requirement that all students of the MA Dance Research for Professional Practitioners complete and submit a Conservatoire for Dance and Drama Registration form to Rambert School at the point of enrolment on the programme.

Unsuccessful applicants

A candidate who is not offered a place should normally expect to hear either within two weeks of receipt of their application if they have been successful in meeting the Stage 1 criteria.

If a candidate progresses to Stage 2 and is offered an interview, they will normally receive at least two weeks' notice of the interview date and location (either in person at the School, or online). The final outcome of their application confirming whether a place on the programme is being offered will normally be communicated via email to the candidate within two weeks of the date of the interview.

Candidates who are not offered a place are allowed to apply again for the following academic year's entry. Feedback can be obtained upon request from final stage candidates only.

False, fraudulent or misleading information provided by applicants

Rambert School and the Conservatoire for Dance and Drama reserves the right to refuse admission to the MA Dance Research for Professional Practitioners or, if already registered, terminate registration if information provided by an applicant is fraudulent, inaccurate or incomplete.

Rambert School and the Conservatoire for Dance and Drama expect that all information provided to them by applicants will be complete, true and accurate, with no misleading omissions or inaccuracies. Any submission of fraudulent, inaccurate or misleading information on the application, or the omission of relevant information, will result in the immediate cancellation of the application and/or the withdrawal of any offer made. Where information comes to light that an application may contain false, fraudulent or misleading information from a successful applicant who has already registered as a student on the MA Dance Research for Professional Practitioners programme, the student's registration may be terminated and student status withdrawn, or the student may be subject to disciplinary action.

Criminal Records

Rambert School and the Conservatoire for Dance and Drama have a responsibility to provide a secure, safe environment for staff, students, visitors and others, and must balance this alongside any legal requirements, such as those to protect vulnerable individuals. Rambert School and the Conservatoire will process any information relating to a criminal record in line with the Conservatoire for Dance and Drama's policy on disclosure of criminal records, which is published on the Conservatoire's website at the following link: <http://www.cdd.ac.uk/policies/student-related-policies/>

Applicants to the MA Dance Research for Professional Practitioners are not required to disclose any specific details regarding a criminal record until and unless requested to do so by the School.

However, where an applicant has voluntarily indicated they may have a relevant criminal conviction they wish to disclose, in accordance with the Conservatoire's [Criminal Records Policy](#) at the point of making an offer to an applicant Rambert School may request further information about the conviction, in order to establish whether any additional support may be required by the individual.

Having a criminal record is not a bar to studying on a Conservatoire programme with Rambert School, and the School welcomes applications from all individuals. Applicants should note that the School has some programmes that require an enhanced DBS check, and in certain cases whilst not preventing an individual from training with Rambert School, this may preclude them from undertaking certain pathways.

Rambert School and the Conservatoire will not request any specific details about an applicant's criminal record; no such information will be requested until the point where it is necessary in order for the student to be able to undertake regulated activity¹ as part of the programme (which will not normally be the case for students on the MA Dance Research for Professional Practitioners).

Convictions which are deemed spent under the terms of the Rehabilitation of Offenders Act 1974, should not be disclosed by applicants under any circumstances. However, where successful applicants become registered students of Rambert School and the Conservatoire, if they wish to undertake modules and/or placements which involve the need for an enhanced DBS check (i.e. teaching modules or modules where you are likely to be working in unsupervised environments with minors or vulnerable adults), applicants should be aware that spent convictions deemed as 'exceptions' under the terms of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 may be disclosed.

For independent advice and support regarding criminal convictions, applicants may wish to contact the charity [UNLOCK](#) who also have the following tools and guidance:

[The Disclosure Calculator](#) (for calculating when convictions become spent)

['Is it spent?' poster](#) (with information about when convictions become spent)

If a candidate feels they may have grounds for an appeal or complaint about the admissions process, they should follow the Admissions Complaints and Appeals Procedure below.

In accordance with the Conservatoire for Dance and Drama's Admissions, Appeals and Complaints Policy, an applicant may submit an appeal or complaint regarding the admissions process by following the Admissions, Appeals and Complaints Procedure that can be found at the following link:
